Comfortable cabins

At Tykarpsgrottan, there are two cozy cabins, both pet-friendly. Each cabin accommodates up to five guests and includes a bunk bed, a daybed, and two extra beds. A travel cot is also available for the youngest guests.

The cabins are 30 m² and consist of two rooms and a bathroom with shower and WC. The larger room is warmly furnished with a daybed, coffee table, kitchenette, and dining area. The bedroom features a bunk bed and a wardrobe. The kitchen is fully equipped for self-catering and includes a stove, sink, refrigerator, coffee and tea maker, and a high chair.

For a comfortable stay, the cabins offer a smart TV (with casting from your own device), Wi-Fi, and an air-source heat pump. Parking is available directly outside the cabin, and during summer you can enjoy a barbecue and outdoor furniture. Bed linen is included.

Check-in takes place at the reception during opening hours, or by arrangement at other times. Check-in is from 3:00 pm, and check-out is no later than 12:00 pm.
